Insertion of levator palpebrae superiois
Sup. Palpebral conjunctiva
Inf. Palpebral conjunctiva
Inf. Conjunctival fornix
Orbital part of lacrimal gland
Palpebral part of lacrimal gland
Excriyory ducts of lacrimal

anterolateral sulcus
post. column
lateral column
ant. column
central canal
white matter
gray matter
gray commissur
white conmisure
The origin of the nerves in the spinal cord
Two models after drawings of Prof. Dr. Spalteholz
A. Section through the spinal cord
1. Gray matter, Substantia grisea
2. Anterior column, Columna anterior
3. Lateral column, Columna lateralis
4. Connection of the gray matter
5. Anterior nerveroot, Fila radicularia
6. Posterior nerveroot, Fila radicularia
7. White matter, Substantia alba
B. A piece of the spinal cord with nerve
12. Gray matter, Substantia grisea
13. Roots of the nerves, Fila radicularia
14. Connection of the gray matter
15. Central canal, Canalis centralis
16. White matter, Substantia alba
17. Anterior column of the spinal cord, Colu
18. Lateral column of the spinal cord, Colu
19. Anterior fissure of the spinal cord, Fissu

post. median septum
rootles of dorsal root
dorsal horn
dorsal root gangluon
dorsal root
lateral horn
ventral horn
spinal nerve
rootlets of ventral root
ant. median fissure
ventral root
The origin of the nerves in the spinal cord
Two models after drawings of Prof. Dr. Spalteholz
A. Section through the spinal cord
1. Gray matter, Substantia grisea
2. Anterior column, Columna anterior
3. Lateral column, Columna lateralis
4. Connection of the gray matter
5. Anterior nerveroot, Fila radicularia
6. Posterior nerveroot, Fila radicularia
7. White matter, Substantia alba
8. Anterior fissure of the spinal cord
9. Posterior fissure of the spinal cord
B. A piece of the spinal cord with nerve
12. Gray matter, Substantia grisea
13. Roots of the nerves, Fila radicularia
14. Connection of the gray matter
15. Central canal, Canalis centralis
16. White matter, Substantia alba
17. Anterior column of the spinal cord, Colu
18. Lateral column of the spinal cord, Colum
19. Anterior fissure of the spinal cord, Fissu
20. Posterior fissure of the spinal cord, Sulc
21. Nerve tubercle, Ganglion
22. Anterior tract of the spinal cord, Funi
23. Lateral tract of the spinal cord, Funi
